

# 2015 Grant Request

Request: 2015-46

Funded by  
The Café Femenino Foundation

**Project Name:** Chicken Coop & Organic Fertilizer Project

**Funding Needed:** \$3,450

**Country Most Impacted by Project:** Guatemala - ASOBAGRI

**Region:** Huehuetenago & El Quiché

**Project Impact:** 162 women directly and approximately 810 family members.

**Project Description:** This project will provide tools and supplies to women to improve the conditions of their chicken sheds and coops. It will create a controlled environment to raise chickens which will provide eggs for a healthy diet as well as organic fertilizer. With training provided, the fertilizer will be utilized on the coffee farms. Construction of the new chicken coops will also improve breeding of healthy animals which will sustain a continuous food source.

## Benefits:

- The coffee growing women and their families will have a safe and reliable food source to depend on.
- Low-income families will have the benefit of quality food and good nutrition.
- Each of the women will have a sustainable organic plot to feed their families and generate additional income thus improving their living conditions.
